HAYNES LIBRARY

Librarian's Report

The library has been opened this year 48 Saturdays. On March 14 and 21 it was closed on account of high water in the cellar from the flood, and two holidays, May 30 and July 4. The first of November it was opened the four hours in the afternoon and not opened in the evening. The first of May it will be opened both afternoon and evening again.

Whole number of books let out for the year	1,056
Average number drawn each day	22
Fiction donated to the library this year	29

There have been no new books purchased this past year but we hope this can be done very soon. Miss Mary Musgrove of Bristol last fall brought to the library several town reports which helped to make the set more complete and which we appreciated very much. We also received from Anthony Taylor of Boston the Geneology of the Taylor family of 8 generations. All the reports from the state can be seen on one table as well as other interesting books. The library is very well patronized and the books taken out are well cared for. We are lending books to the school each week.

The librarian has bought one record book	\$ 1.25
